

Emergency Tow Strap with Forged hooks

Emergency Tow Strap Wide Polyester with Forged Hook Each end wide polyester tow strap has two heat-treated, forged steel hooks with eye opening.

Not for lifting.

Simply the best way to tow a stuck or disabled car or light pickup truck.

The zinc plated forged hooks are specially designed for towing application and easily attach to the vehicle frame.

Lighter than tow chain and won't rust, rot or mildew.

Stores easily in a car trunk.
